

The Chetwood Trophy 2024

Sat 15th & Sun 16th June

2 players go through from each group on Saturday to the Second Phase on Sunday. Sunday (Starting at 11am) will consist of two groups of 3, the winner of each going through to the Final (approx 16:30). Groups are decided by total sets won. Ties will be decided by the highest ratio of games won divided by games lost. If still tied, it will be decided by the winner of the head to head set (in the case of a two way tie) or by a grille competition (in the case of a three-way tie). Before each group stage there will be a set of doubles (non-competitive) to allow everyone a chance to familiarise themselves with the court.

Key:

G = Group

M = Match

W = Winner

RU = Runner-up

TBD = To be determined
