

# SEACOURT SILVER RACQUET 2025 SPONSORSHIP PACKAGES

Seacourt's most prestigious Real Tennis tournament; The Silver Racquet, will return from 29 January - 2 February **2025**. Founded in 1973, the Silver Racquet has seen the world's best professionals and amateurs compete on handicap for the Title. Renowned for its thrilling, action-packed and competitive matches, the Silver Racquet is not one to be missed.

The Silver Racquet is reliant upon its sponsors and supporters; who in return receive promotion worldwide throughout the Real Tennis Community. Your financial support not only helps us in attracting the best players and achieving the best standard of play, but also ensures we can reach the widest audience, through means of marketing, live streaming and social events alongside the tournament.
